MORE POWER

Swaraj is here to take your excitement to the next level with even more josh! The new range of tractors combines power, versatility, reliability, style, and comfort, setting a bold new benchmark for the future of Indian farming. Presenting more power and performance with our all-new tractors, ranging from 22.40 kW to 31.40 kW.

POWERFUL ENGINE

A powerful engine that provides greater torque than ever before, making sure your tractor is ready for every situation and can be used in a wider range of applications.

BIGGER REAR TYRE

The bigger rear tyre of size 13.6 x 28 provides greater traction, making it ideal for pulling heavy loads, tilling, and plowing.

ENHANCED LIFT CAPACITY

Achieve greater lift capacity of 1650 kg and lift heavy loads and implements with the powerful hydraulic system.

4-WHEEL DRIVE

The 4-wheel drive allows the tractor to traverse through toughest of terrains while doing deep cultivation and puddling effortlessly.

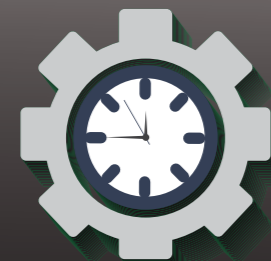

MOUNTING PAD

Provision for mounting heavy duty bumper, boosts tractors stability, control and effectiveness while performing heavy duty applications.

6 YEARS WARRANTY

Get the Swaraj assurance with our 6-year warranty.

INCREASED SERVICE INTERVAL

Delivers consistent performance with lower maintenance needs, reducing ownership costs.

HEAVY DUTY FENDERS

The sturdy fender gives your tractor a strong, imposing look.

MORE RELIABILITY

MORE VERSATILITY

IPTO

The independent PTO clutch allows the operator to engage and disengage the PTO with greater ease.

DUAL CLUTCH

More control for PTO-related applications resulting in better output quality.

DCV

Easily connect heavy duty hydraulic implements and give optimum performance and seamless control.

HIGHER GROUND CLEARANCE

Easy manoeuvrability across challenging terrains.

LARGER WHEELBASE

Experience enhanced stability while navigating challenging terrains.

EASY HITCH

Enables operators to attach and detach implements with ease, even when working solo.

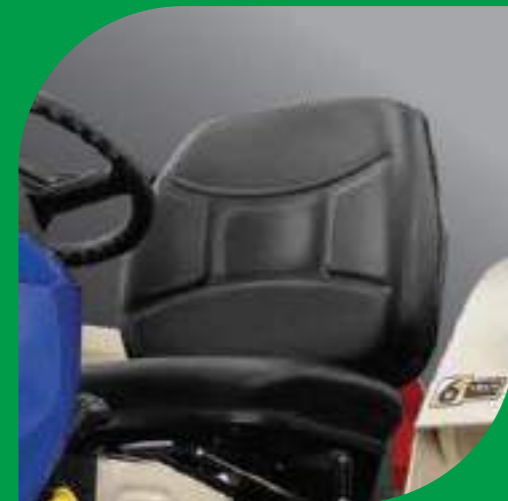

DIGITAL INSTRUMENT CLUSTER

Experience the perfect blend of modernity and style with the digital instrument cluster.

SIDE SHIFT

The ergonomic side-shift gear offers a larger operating area, reducing fatigue and enhancing comfort.

DELUXE SEAT

Minimizes fatigue and ensures a more comfortable ride.

COMBINATION SWITCH

Experience effortless control of various functions, including headlights and turn signals.

MORE STYLE & COMFORT
