TECHNOLOGY THAT ENABLES PRODUCTIVITY.

With **Swaraj PRO-TEK**, you propel yourself ahead of the rest and take a step into the future. Its powerful performance, precision engineering, and ease of operation ensure that every task - from agri operation to commercial usage is completed faster, more efficiently, and with lesser effort. With the **Swaraj PRO-TEK**, you don't just get the job done - you get it done while saving time and maximising output.

At the heart of **Swaraj PRO-TEK** is technology that is future-ready. From its best-in-class lift capacity to cerametallic clutch plates and advanced multi-speed PTO options - every feature is engineered to maximising productivity and power your progress.

PRO-TEK PERFORMANCE

Technology that provide Powerful Performance for Enhanced Productivity

Engineered for those who don't slow down, the Swaraj PRO-TEK delivers the power and performance to drive your progress - every single day.

POWER-SENSE LIFT

Handles the heaviest implements up to 2500 kg with ease and precision to perform effortlessly in tough ploughing and cultivation.

4WD OPTIONS

Better grip, smoother work, higher productivity.

Dual PTO (Power & Economy PTO)

Run heavier implements seamlessly.

HIGHER HYDRAULIC FLOW (32 LPM)

Faster lifting of heavy implements and trolleys.

PRO-TEK RELIABILITY

Unmatched Durability. Unshakable Trust.

When the work is tough and the terrain tougher, you need a tractor that won't back down. One that is as dependable as you.

SEALED 4WD SHAFT

Better protection for 4wd shaft, bearings and seals.

DURA-TUFF AXLE

Built for reliability and strength, delivering consistent performance in demanding applications like puddling, reverse scraper, heavy haulage, and ploughing.

DURA-MAXX CLUTCH

Longer clutch life in baler, loader and high-stress task.

FCM Transmission:

Smoother shifts, longer gearbox life.

Higher Transport Height:

Easy bund crossing with rear-mounted implements.

Differential Lock:

Helps get out of mud with ease.

PRO-TEK COMFORT

Stay Comfortable. Stay Productive.

Long hours in the field demand more than just power - they demand comfort. Swaraj PRO-TEK has best-in-class comfort.

COMFI-FLAT DECK

Full flat platform for more legroom and all-day comfort

SUSPENDED PEDALS

Smoother brake and clutch operation

BALANCED POWER STEERING

Effortless handling in haulage and agri use

PRO-TEK VERSATILITY

With its new age features, Swaraj PRO-TEK redefines versatility and makes the farmer smarter, faster, and ready for tomorrow.

Wider Lower Link Span (~1000 mm)

Quick hookup for wide implements like automatic planters, bigger ploughs, etc.

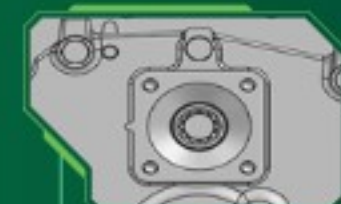

VERSA PTO

10 forward and 2 Reverse PTO options with optimised speeds for various PTO implement operations

CROP-FIT

1219.2 mm - 1524 mm (48" - 60") Track adjustment which is ideal for interculture work like groundnut and potato digging etc

DIRECT DRIVE FOR PTO

Easy pump attachment for rear applications like infielders

Higher Fuel Tank Capacity:

Fewer refills, longer working hours

Eze-Shift:

Side shift gears and shorter travels for ease in gear shifting

Mechanical Toggle:

Faster lifting of implements on turns

PRO-TEK STYLE

Designed to impress - the new Swaraj PRO-TEK brings unmatched style to farming. With metallic finishes, chrome accents, and a bold new identity it's where power meets presence.

DIGITAL CLUSTER

Better day/night visibility

METALLIC COLOUR

Better shine and paint longevity

CHROME DECALS

New stylish chrome decals

Stylish Levers

Stylish ergonomic levers for better grip

New Wordmark

The new Swaraj identity brings a refreshing new look

SMART CONNECT by SWARAJ

Drive into a smarter world

Stay in control wherever you are - with live tracking, fuel insights, and safety alerts at your fingertips. Swaraj Smart Connect makes every drive smarter, safer, and more efficient.
